HEALTHCARE

Welcome to the OB/GYN Residency Program at Las Palmas Del Sol Healthcare

The OB/GYN Residency Program at Las Palmas Del Sol Healthcare is part of the HCA Healthcare Graduate Medical Education network. HCA Healthcare is the nation's leading provider of quality, patient-centered care. We are also the leader in graduate medical education, all brought together by a single mission:

Above all else, we are committed to the care and improvement of human life.

The Obstetrics and Gynecology residency-training program at HCA Las Palmas Del Sol Healthcare. The Accreditation Council for Graduate Medical Education (ACGME) approved the Obstetrics and Gynecology residency program in February 2019. The main teaching site for the Obstetrics and Gynecology program is Las Palmas Medical Center and Del Sol Medical Center, in sunny El Paso, Texas.

Residents can expect to acquire lifelong clinical experiences within a multi-culture patient population. The clinical knowledge gained will sharpen the resident's clinical and leadership skills needed to provide quality patient care.

Our program provides instrumental clinical and leadership residency training with emphasis on extensive in-patient and progressive continuity clinics. Residents will build a dynamic knowledge base and enable them to practice quality healthcare. We encourage an appropriate work life balance through various activities. The Wellness Coordinator is responsible for coordinating social activities for residents outside of work.

The OBGYN Residency Program strives to recruit residents from all backgrounds, including racial and ethnic minorities. This provides diversity to a community that prides itself on providing healthcare to patients from diverse backgrounds, cultures, and different socioeconomic factors. We look for candidates that possess qualities such as the ability to interact with diverse faculty/colleagues/trainees/students, leadership abilities, and experiences gained from non-traditional medical career paths.

Lastly, we are committed to providing a training experience resulting in trainees who are committed to the care and improvement of human life, treat all those they serve with compassion and kindness, act with absolute honesty, integrity and fairness in the way they practice medicine and live their lives, trust their colleagues as valuable members of their healthcare team and pledge to treat one another with loyalty, respect and dignity.

Our faculty

Sandra Lopez, MD Program Director

Undergraduate Education: University of California San Diego, San Diego, CA
Medical School: Universidad Central del Caribe, Bayamon, PR
Residency Training: Texas Tech University Health Sciences Center, El Paso, TX
Fellowship Training: Texas Tech University Health Sciences Center, El Paso, TX

Aaron Poole, MD Associate Program Director

Undergraduate Education: Brigham Young University, Provo, UT
Medical School: Medical College of Wisconsin, Milwaukee, WI
Residency Training: Naval Medical Center Portsmouth, Portsmouth, VA
Fellowship Training: University of Texas Medical Branch, Galveston, TX

Jesus Baeza, MD

Current residents

Karen Fernandes, MD Class of 2023
Oakland University William Beaumont School of Medicine

Favorite aspect about the program: The El Paso community is such a wonderful and welcoming population to serve and our ability to be so closely involved in border health issues and access is so unique. My absolute favorite thing about the program is the camaraderie—the hospital staff, teaching faculty, and (most importantly!) my co-residents make the long hours worth it.

Adriana Galindez de Estrada, MD Class of 2023
Universidad Autonoma de Guadalajara

Favorite aspect about the program: My co-residents

Odinaka Mogor, MD Class of 2023
University of Arizona College of Medicine Tucson

Favorite aspect about the program: The camaraderie amongst the residents and the autonomy to perform procedures and learn at a pace not typical of other programs.

Sarah Moseley, DO Class of 2023
UNTHSC Texas College of Osteopathic Medicine

Favorite aspect about the program: opportunities!!! Being in a new program, have had the opportunities to do primary C-sections, sit at the robot, be first assist in TAH's, and run L&D/Triage/Postpartum floor, etc as a first year. So many valuable experiences! Also really love the people here.

Bao-Quyen Nguyen, DO Class of 2023
UNTHSC Texas College of Osteopathic Medicine

Favorite aspect about the program: The hands on experience, especially with the robot. I also love my co-residents they make residency more fun and bearable.

Gabriela Pena, MD Class of 2023
Howard University College of Medicine

Favorite aspect about the program: My favorite part about the program is the environment, the camaraderie, and the support we have for each other, especially through boba.

Justine Bedolla, MD Class of 2024
Florida State University College of Medicine

Favorite aspect about the program: like being a newer program and having input into the growth and future direction of the program. Also, really appreciate the opportunity to practice my Spanish with patients on the daily!

Madison Fringer, DO Class of 2024
Michigan State University College of Osteopathic Medicine

Favorite aspect about the program: You are so, so well supported mentally, physically, emotionally and intellectually by the residents and staff.

Anika Galagoda, DO Class of 2024
UNTHSC Texas College of Osteopathic Medicine

Favorite aspect about the program: The relationship between the residents, everyone is willing to help each other.

Katherine Kleinberg, DO Class of 2024
Burrell College of Osteopathic Medicine

Favorite aspect about the program: really like the early surgical training, especially the MIGS curriculum.

Simran Malhotra, DO Class of 2024
UNTHSC Texas College of Osteopathic Medicine

Favorite aspect about the program: love our continuity clinic, and delivering patients that we see 100% of the way from first OB visit to delivery to postpartum.

LAS PALMAS MEDICAL CENTER

LAS PALMAS IS A CENTER FOR EXCELLENCE IN MINIMALLY INVASIVE GYN SURGERY BY THE SURGICAL REVIEW CORPORATION (SRC) AND THE ASSOCIATION OF GYNECOLOGIC LAPAROSCOPISTS (AAGL)

- Level III Trauma Center
- 1,984 Annual Deliveries
- Maternity & Child Services with Level III NICU
- Multiple Specialties
- 327 Beds

BENEFITS

- Day one benefits
- Paid Time Off
- Electronic devices provided
- Meal Plan / Lab coats provided
- Malpractice insurance provided
- 401(k) Plan Participation
- Educational material/travel allowance

DEL SOL MEDICAL CENTER

DEL SOL MEDICAL CENTER IS A CENTER FOR EXCELLENCE IN MINIMALLY INVASIVE GYN SURGERY BY THE SURGICAL REVIEW CORPORATION (SRC) AND THE ASSOCIATION OF GYNECOLOGIC LAPAROSCOPISTS (AAGL)

- Level II Trauma Center
- 2,497 Annual Deliveries
- Maternity & Child Services with Level III NICU
- Multiple Specialties
- 350 Beds

El Paso is located on the Rio Grande River at the foot of the Franklin Mountain range, across the border from the City of Juarez (Ciudad Juarez in Mexico) in the far western corner of the state of Texas at the border to New Mexico. El Paso has a population of about 840,545 inhabitants (est. in 2019). A true melting pot of American and Mexican culture, the combination is noticeable everywhere. Our close neighbors in Ciudad Juarez, Mexico, and New Mexico also welcome and extend their hospitality. Favorite pastimes include golf, mountain biking, hiking.

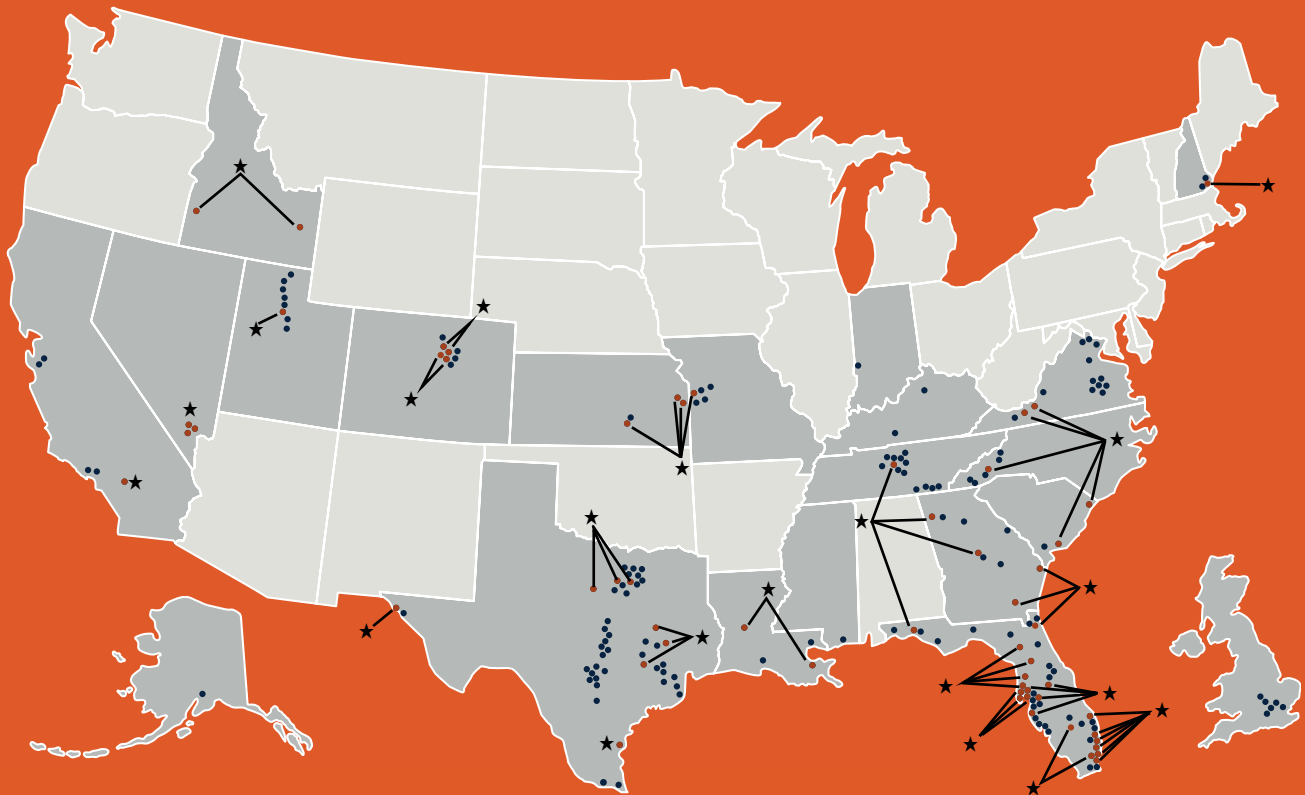

About HCA Healthcare GME

HCA Healthcare is a comprehensive healthcare network with 280,000[^] colleagues across 2,000 care facilities all committed to creating a positive impact every day. We continually invest in our colleagues and facilities to better serve our patients and local communities. The graduate medical education programs seek to inspire tomorrow's physicians to care for and improve human life by focusing on patient-centered approaches to practicing the latest evidence-based medicine.

To learn more about the benefits and expectations of training with an HCA Healthcare program, view our [Resident and Fellow Manual](#).

Scholarly Activity

HCA Healthcare Graduate Medical Education provides a critical link between vigorous scholarly activity and real-world patient care from a sophisticated data repository of over 35 million[^] patient encounters each year.

2,600+ HCA Healthcare GME scholarly activities in 2019-20

Clinical Training

Each year approximately five percent of all U.S. hospital services happen at an HCA Healthcare facility, including:

35 million[^] patient encounters
9.2 million emergency room visits
220,000[^] babies delivered

HCA Healthcare Graduate Medical Education is a leader in clinical experience:

- Nationally known physician expertise across the country
- Investments in facilities allowing the advancement of patient care
- High emphasis on simulation results and low patient incidents
- Higher patient touch than academic facilities
- Annual collaborative mass casualty event team training

Influential Collaboration

HCA Healthcare residents and fellows have access to talented, highly skilled teams of faculty, industry experts and dedicated research teams to guide residents and fellows through their journey. Residents and fellows produce evidence that drives future practice by leveraging HCA Healthcare's national clinical data warehouse – the heart of our data ecosystem.

HCA Healthcare Scholarly Commons is a platform to collect, share and publish the variety of academic work created by the Graduate Medical Education community. It is a collaborative, open access resource developed to discover and showcase our contributions to medical knowledge. Included on this platform is the **HCA Healthcare Journal of Medicine**, a peer-reviewed scientific periodical focused on innovation, enhanced quality and developing new knowledge in clinical care and medical education for the benefit of all patients.

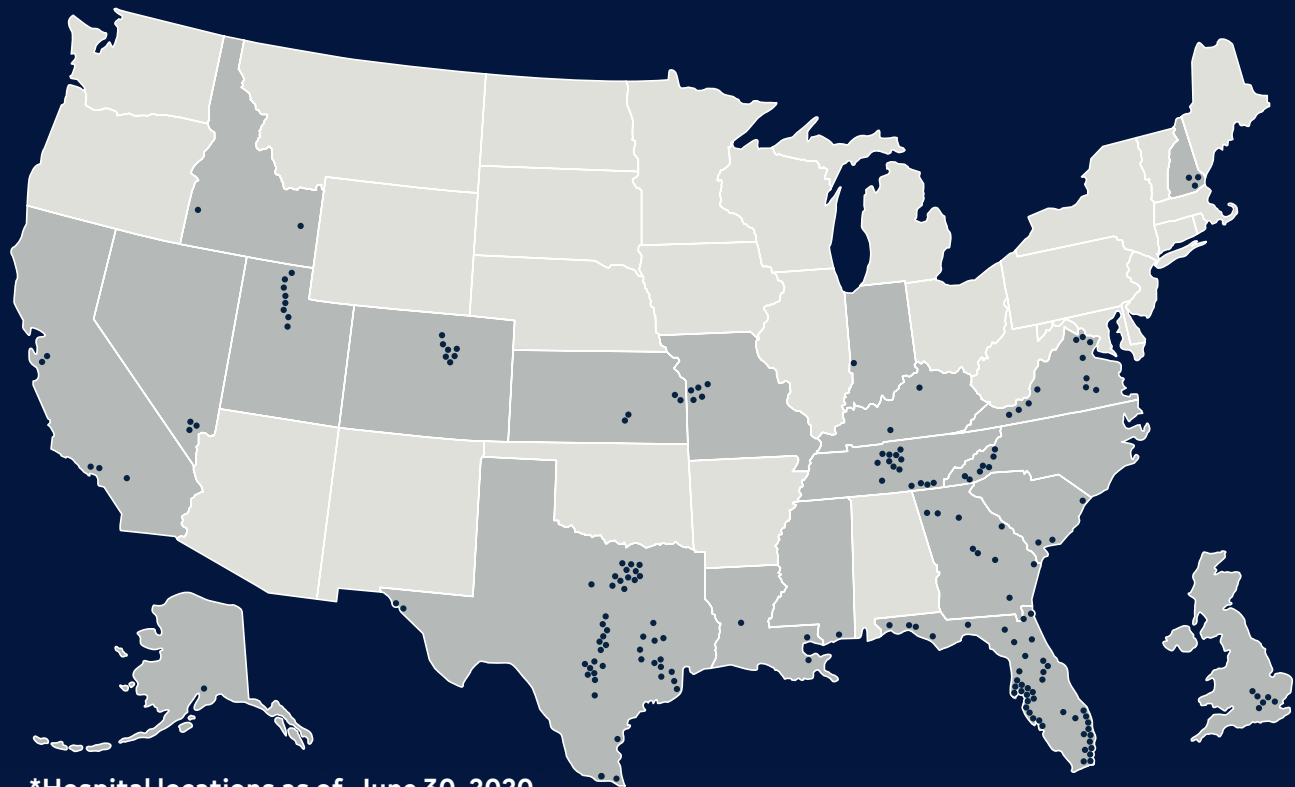

About HCA Healthcare

HCA Healthcare is one of the nation's leading providers of healthcare services and is comprised of 186 hospitals and more than 2,000 sites of care including surgery centers, freestanding ERs, urgent care centers, diagnostic and imaging centers, walk-in clinics and physician clinics in 21 states and the United Kingdom. With its founding in 1968, Nashville-based HCA Healthcare created a new model for hospital care in the United States.
